

## Estate Consignment Agreement

Welcome and thank you for the opportunity to sell your piece(s) of estate jewelry. This agreement is entered into between **Silverstone Jewelers** and \_\_\_\_\_ on this day \_\_\_\_\_.

Below are the conditions of this agreement:

- We will determine if the item is able to be sold in its current condition or if repairs are needed. If repairs are needed, they will be done at the owner's cost prior to being put up for sale, as we guarantee all items we sell for one year. Repairs will be deducted from the proceeds upon sale of the item. If the item is not sold, payment will be required when the item is returned to the customer.
- Any item that has not sold within one year may be returned to the owner so as to limit our inventory balances. We do not guarantee the sale of any item.
- If there is a minimum price you require for a piece, it will be noted below. If not, we will make every effort to sell your piece at the highest possible price.
- All estate jewelry will be insured at the proposed sale price while it is for sale in the store.
- The proceeds are distributed in the following percentages: 65% to the customer; 35% to Silverstone Jewelers.
- Proceeds in the form of a check payable to the owner will be mailed 30 days after the sale.
- If the customer prefers payment in the form of a store credit, a 20% premium will be added to the owner's balance.
